Chairman's chat

Well it doesn't seem twelve months since we were here at Fradley for the Cheese & Wine in January. Doesn't time fly by when you are having fun.

Since the last "Inspiration" we have rallied at Bangle Park Farm for our Fireworks Rally, what a super display we had. The Marshals for this rally next year were on hand to find out how it's done, we can hope that they do as good a job. Well done.

The next rally was the Photographic at Salt Village Hall with just about the right number for this venue. Congratulations to everyone who took part in the competition with Sylvia Jones winning the Doreen Davies Trophy, Keith Orchard the Butler Trophy and Sally Clemson the Wharfedale Trophy. A pleasant weekend was had by all enjoying some good weather.

Brown Moss Nature Reserve was an excellent rally with plenty of walks, some nice views, (well off the main road) and some decent weather. Trevor has got this one in his sights for a summer rally in 2012.

It is the hope of Committee that one of you members out there will come forward to be co-opted on Committee as Social Secretary. We will surely struggle if no one volunteers. Please think about joining us.

By the time you read this the 2011 Rally Book will be with the printer and so should be posted out to you before Christmas. A tremendous amount of work goes into the preparation, hopefully there will not be any errors.

Thanks as always go to our Marshals for all their hard work that they put into running our rallies.

Peggy I and the South Staffs Committee would like to wish everyone a Very Merry Christmas and a Happy New Year.

Looking forward to good rallying in 2011.

Happy Caravanning.

Photographic Rally Salt

13 vans turned up. Saturday morning the village hall was open for tea and a bacon butty. Saturday night the photos were put on the board and we had a Jacob's table which was very nice. Thanks to everyone who bought food, we all had a good night; with mince pies and mulled wine yum yum!

After the Quiz the judging took place:

1st Class - Best Print taken on a South Staffs Rally - Sylvia Jones

2nd Class – Best Print in any Subject - Keith Orchard

3rd Class – Most Humorous Print – Sally Clemson

Thanks to the Marshalls
Annette & Terry, Gail, Kevin & Terry, Sally & Andy

Editors note: What happened to the video of New Year that Trev has threatened us with since? I am still waiting!!!

[Photos of winners were supplied but too dark to print – sorry!]
