Chairman's chat

At the beginning of October we held our AGM when your new Committee was elected. We were fortunate to have 14 members put themselves forward to serve. Equipment has been moving to new homes and it is important that you are aware of who is responsible for what. **Please remember that it is your responsibility to collect and return the equipment you require.**

We unfortunately are not able to advertise our Holiday Rallies in the Club Magazine until all other Centre Rallies have been received by them. We for our part sent our programme in sometime ago and we are losing out because of the new policy the Club Magazine has adopted. We have two French Rallies in the early part of next year, these normally would have had loads of enquiries by now. If you are thinking about going book now before it becomes common knowledge because they will soon fill up.

Sorry but you have done it again. All the winter functions are full with waiting lists. Those that are unable to go, sorry. We do try and find larger accommodation for our events but it is difficult to find halls with venues where you do not have to drive after you have had a drink.

It is my sad duty to report the death of John Drover who after a struggle with cancer of the throat passed away on Friday 24th October. He continued to caravan having just been away at Paignton. Our condolences to Jan and the family, we all share your loss and grief, we will miss him on the rally field.

We are still hoping to get your Rally Brochure sent to you for Christmas, all your write ups for rallies should be in, if you have done that we should be on time.

Centre Chairman
